

TAVANT

UNLOCK THE POWER OF AI

AI isn't the future. It's the present and it's redefining how enterprises operate, innovate, and grow. At Tavant, we bring together deep domain expertise, advanced technology platforms, and proven execution to help organizations unlock the full power of AI.

AI-POWERED SERVICE LIFECYCLE MANAGEMENT

Turn your aftermarket into a growth engine with seven ready-to-deploy AI solutions designed to deliver measurable results in as little as 12 weeks.

WARRANTY.AI

Streamlined warranty & claims automation

KNOWLEDGE.AI

Smart search & guided troubleshooting

CONTRACT.AI

Dynamic, profit-driven contract management

QUALITY.AI

Early-warning quality analytics

FIELD.AI

Higher first-time-fix with predictive field service

CONNECT.AI

IoT-based failure prediction & asset uptime

PRICE.AI

Real-time, competitive parts pricing

With **Aftermarket Strategic Consulting**, our experts help you shift from cost-plus sales to value-based services, delivering **30–40% cost reductions in just 90 days**.

ARTIFICIAL INTELLIGENCE & AGENTIC PLATFORMS

Scale intelligence across your enterprise.

Enterprise Agentic AI

Deploy fleets of intelligent agents across OpenAI, Anthropic Cloud, Perplexity, and beyond.

Data Science-Driven Growth

From custom ML models to enterprise MLOps pipelines, we help accelerate productivity and revenue growth.

AI-Accelerated SDLC

Supercharge the entire development lifecycle with AI-assisted coding, testing, and release automation.

DATA & CLOUD MODERNIZATION

Enable AI's potential with a modern, secure data foundation.

Cloud-Native Data Platforms

Migrate to AWS, Azure, or Google Cloud and power insights with Snowflake, Databricks, and Kubernetes.

Governance & Compliance

Build trust with embedded data quality, lineage, privacy, and regulatory controls.

DataOps Excellence

Orchestrate self-healing pipelines with Airflow, dbt, and Fivetran for continuous, real-time insights.

DIGITAL & AI-POWERED ENGINEERING

Engineer smarter, faster, and more resilient platforms.

Enterprise Transformation

Salesforce and ServiceNow certified implementations with AI-driven extensions.

Custom Application Development

Mobile, web, and full-stack solutions infused with intelligence.

Legacy Modernization & DevOps

Transform outdated platforms into flexible, container-based architectures to speed up delivery.

Strategic IT Outsourcing

Scale with our FIRE automation platform and global delivery expertise.

WHY TAVANT

Unlocking AI's potential takes more than technology. It takes vision, precision, and measurable execution. Tavant combines all three to deliver transformation that accelerates growth, reduces costs, and prepares your enterprise for the future.

UNLOCK THE POWER OF AI WITH TAVANT

From predictive maintenance to warranty automation, Tavant empowers service leaders to turn the aftermarket into a profit engine. Whether you're modernizing data, deploying AI agents, or building next-generation service platforms, we help you deliver faster fixes, lower costs, and superior customer experiences.
